

wah!
in concert

Wah! combines reggae, Hindu chanting and pop to create a unique mix of spiritual world music. Described by NY *Spirit Magazine*, WAH! injects something a little trippier to create a mellow groove that's luscious and highly addictive. Wah! has ten solo albums to date including *Lokaha*, *Jai Jai Jai*, *Opium*, *Hidden In the Name*, and *Savasana*.

Wah! tours extensively, performing at yoga centers, festivals, conferences and pop venues. Her latest release with Nutone Records *Love Holding Love* continues her trendy approach to yogic celebration.

Wah! has a book *Dedicating Your Life to Spirit* which offers concert talks, lyrics, yoga classes and inspirations. Come sing and celebrate with WAH! in an evening of Sanskrit chant and songs in English.

Wah!'s concerts are high energy and full of sacred connection. Bring your jubilant Self.
